

Please leave the Wisconsin "No Call List" as it is. My phone is a personal phone line and I pay for it with my money that I work hard for. My time at home is personal and it should be my choice to keep it that way. I do not want banks or telemarketers interrupting my personal time with my family. I signed up to be on this list because of the incessant methods of telemarketers. If they want to make me aware of their existence they can do so by means of the postal service. The phone I have in my house is my phone and is solely for personal use, and personally paid for. I do not wish to pay for a phone so a telemarketer can abuse it nor do I want to be harassed by these people.
So, LEAVE THE WISCONSIN NO CALL LIST ALONE.
